IN THE MATTER OF the Council of the Corporation of the Town of Hawkesbury, for approval of By-law to change the name of part of Nelson Street to Boulevard Cécile Boulevard.

TAKE NOTICE, pursuant to the provisions of paragraph 95 of subsection 1 of section 379 of The Municipal Act (R.S.O. 1960, Chapter 249), that His Honour Omer H. Chartrand, Esquire, Judge of the County Court of the United Counties of Prescott and Russell, has appointed Thursday, the 27th day of May, 1965, at the hour of 10.00 o'clock in the forenoon, daylight saving time, at the Canadian Legion Hall, 152 Nelson Street East, in the Town of Hawkesbury, County of Prescott, for considering the above-mentioned By-law and for hearing those advocating or opposing the change of such name as set forth in the said By-law, which said By-law reads as follows:

By-law No. 2289, 1965, of the Town of Hawkesbury

A By-law to change the name of that part of Nelson Street as described in Land Titles Plan M-3.

WHEREAS The Municipal Act, R.S.O. 1960, Chapter 249, Section 379 (1), subparagraph 95, provides that By-law may be passed by the Councils of local municipalities to provide for the surveying, settling and marking the boundary lines of highways and giving names to them or changing their names and for affixing the names at the corners thereof, on public or private property.

AND WHEREAS there is a street shown on Land Titles Plan M-3 registered in the Land Titles Office at L'Orignal which runs from Tupper Street in a westerly direction named Nelson Street.

AND WHEREAS Honourable Louis P. Cécile, Q.C., a member of the Legislative Assembly of the Province of Ontario, has served the Town and the County of Prescott in that capacity since the year 1948 and Council has deemed it advisable and appropriate in appreciation for the services he has rendered to the Town, that this part of Nelson Street should be renamed Boulevard Cécile Boulevard in his honour.

AND WHEREAS it also leads to confusion because Boulevard Cécile Boulevard is one of the main arteries of the Town and its continuation or extension in a newly developed section of the Town is a street presently shown on the map as Nelson Street.

NOW THEREFORE the Municipal Council of the Corporation of the Town of Hawkesbury enacts as follows:

IN THE MATTER OF the Council of the Corporation of the Town of Hawkesbury, for approval of By-law to change the name of certain streets in the Town of Hawkesbury.

TAKE NOTICE, pursuant to the provisions of paragraph 95 of subsection 1 of section 379 of The Municipal Act (R.S.O. 1960, Chapter 249), that His Honour Omer H. Chartrand, Esquire, Judge of the County Court of the United Counties of Prescott and Russell, has appointed Thursday, the 27th day of May, 1965, at the hour of 10.00 o'clock in the forenoon, daylight saving time, at the Canadian Legion Hall, 152 Nelson Street East, in the Town of Hawkesbury, County of Prescott, for considering the above-mentioned By-law and for hearing those advocating or opposing the change of such names as set forth in the said By-law, which said By-law reads as follows:

By-law No. 2290, 1965, of the Town of Hawkesbury

A By-law to change the names of certain streets in the Town of Hawkesbury.

WHEREAS The Municipal Act, R.S.O. 1960, Chapter 249, Section 379 (1), subparagraph 95, provides that By-law may be passed by local municipalities for surveying, settling and marking the boundary lines of highways and giving names to them or changing their names, and for affixing the names at the corners thereof, on public or private property.

AND WHEREAS the following streets as laid down on Registered Plan 37, namely Genevive, Prospect, Kipling, Kitchener and Salisbury run in a north and south direction between Main Street West and Nelson Street West.

AND WHEREAS the following streets as laid down on Registered Plans 37 and 39, namely, Alice, Reinhardt, Campbell, Garden and Ida run in a north and south direction from Nelson Street West to their southerly limits.

AND WHEREAS Alice Street is the projection southerly of Genevive Street from the intersection of Genevive and Nelson Streets.

AND WHEREAS Reinhardt Street is the projection southerly of Prospect Street from the intersection of Prospect and Nelson Street.

AND WHEREAS Campbell Street is the projection southerly of Kipling Street from the intersection of Kipling and Nelson Streets.

AND WHEREAS Garden Street is the projection southerly of Kitchener Street from the intersection of Kitchener and Nelson Streets.

AND WHEREAS Ida Street is the projection southerly of Salisbury Street from the intersection of Salisbury and Nelson Streets.

AND WHEREAS Council deems it expedient that the projections or extensions of the said streets south of Nelson Street should bear the same street name as the main parts thereof now known as Genevive Street, Prospect Street, Kipling Street, Kitchener Street and Salisbury Street and as the multiplicity of street names for segments thereof which do not extend to the main thoroughfares makes the said streets as presently named difficult to locate and causes confusion to visitors in the area.

AND WHEREAS Genevive is a typographical error and should read Geneviève.

NOW THEREFORE the Municipal Council of the Corporation of the Town of Hawkesbury enacts as follows:

1. That the said Alice Street be and it is hereby renamed Rue Geneviève Street as well as the main part of Geneviève erroneously designated as Genevive.
2. That the said Reinhardt Street be and it is hereby renamed Rue Prospect Street.
3. That the said Campbell Street be and it is hereby renamed Rue Kipling Street.
4. That the said Garden Street be and it is hereby renamed Rue Kitchener Street.

In your deliberations you have considered 168 public Bills and 43 private Bills. Of these, 177 Bills have now received Royal Assent.

In the Speech from the Throne, a very extensive legislative program was outlined, encompassing education, resource development, social, health and welfare services, municipal development and the administration of justice. I am very pleased to note that Honourable Members have dealt with every item mentioned in that document and have also considered and passed several major Acts which were subsequently introduced to complete the comprehensive legislative program submitted to the Legislative Assembly.

In the field of education, your recognition of this most vital responsibility of the Province of Ontario is reflected in the estimates passed for both the Department of Education and the Department of University Affairs, and in the amendments to several Acts. In particular, I should like to mention the establishment of Colleges of Applied Arts and Technology and The Ontario Institute for Studies in Education. The Bills respecting Lakehead University and the University of Ottawa represent important milestones in the development of our institutions of higher learning.

There have been presented to you economic goals for the Province of Ontario, and on the realization of those goals all of the aggressive programs now under way in the Departments of Economics and Development, Agriculture, Lands and Forests, Energy and Resources Management, Mines, and Tourism and Information will benefit industry and the people of Ontario as a whole. Of major significance was the passing of The Milk Act, which pioneers in a new approach to the marketing of milk in Canada.

Honourable Members have been concerned with the challenge of providing progressive social, health and welfare services to the people of this Province, commensurate with the tax revenues of the Province and the existing financial arrangements with the Federal Government. During this Session you have broken new ground in the legislation respecting penal reform, child welfare, industrial safety legislation, workmen's compensation, and medical services insurance. I congratulate Honourable Members on their continuing concern for the furthering of human rights in the Province of Ontario as expressed in the amendment to The Ontario Human Rights Code introduced by my Government.

The creation of an effective system was fully examined by Honourable Members. You had occasion to study and debate the final report of the Select Committee on The Municipal Act and related Acts. You have considered and passed several amendments to legislation respecting our municipalities. Honourable Members also took a significant step forward, in the field of efficient transportation services, by passing an Act to establish a rail commuter service in the heavily congested areas between Burlington and Dunbarton. Highway and municipal road construction, together with extensive research studies, will be facilitated by the record gross appropriations for the Department of Highways approved by the Legislature.

Honourable Members devoted considerable time to matters relating to the administration of justice. In addition to the fullest opportunities accorded for extensive and detailed discussion of the Estimates of the Department of the Attorney General, you passed amendments to a large number of Bills including, among others, The Expropriation Procedures Act and The University Expropriation Powers Act. Four major reports—the Report of the Joint Committee on Legal Aid, the first Report of the Ontario Law Reform Commission, the Report of the Committee on Securities Legislation, and the final Report of the Select Committee on Consumer Credit—were received by the Attorney General and tabled in the House for the information of and review by Honourable Members.

This Third Session of the 27th Provincial Parliament has been a lengthy one during which my Government has provided every facility to Honourable Members to discharge their responsibilities and to fulfill their duties to their constituents. I congratulate all of you on the manner in which the debates on the legislation were conducted in the Assembly and in Committee. You have accomplished a great deal and I am sure that your dedication of purpose will be fully appreciated by the people whom you serve.

This Session has been highlighted by several lengthy discussions of the highest quality on matters of public concern. I wish to commend the Honourable Members who, in taking part in these debates, expressed the varied views and sentiments of the people of this Province to the end that legislative enactments,

proposed by my Government and passed by Honourable Members, will prove to be of inestimable benefit to the people of Ontario as a whole.

With a well-ordered economy, and revenues which result from that commendable condition of provincial affairs, you have been enabled to approve of a record budget for Ontario. In doing so, you have had every opportunity to scrutinize thoroughly, and have passed, the estimates of the several Departments of Government, providing for the requirements of the Province whose people are served by an able and conscientious civil service which will continue to discharge its functions in the usual capable and efficient manner.

May Divine Providence guide you in the days to come.
